The message of Executive Director (IWOHD)

The IWOHD is a visionary organization, believes in peaceful and socially developed Khyber – Pakhtunkhwa and adjacent areas. The organization's motto is to cope against the social problems/evils in the territory. These social problems (injustice, poverty, illiteracy, unemployment, poor health etc) sabotage the prosperity, peace and stability of the nation/territory. These hazardous issue / social problems become an extreme threat for development and peace of the nation/locality. IWOHD improves deprived communities, sit with them, listen, assist and encourage them in resolving their issues, at the root level.

We chose the name "**INSAF**" for our organization which is commonly used in our society. It means "justice". Thus "**Insaf Welfare Organization for Human Development**" will provide equal opportunities and rights to all people especially the poor, destitute and this organization will work for their development in every sphere of social life.

Now we have established offices in various districts of Khyber Pakhtunkhwa. The Organization initiated its activities at provincial level. Our sub-offices perform their services well.

IJAZ UR RAHMAN
Executive Director
IWOHD, KPK

INTRODUCTION

INSAF WELFARE ORGANIZATION FOR HUMAN DEVELOPMENT (IWOHD)

The Insaf Welfare organization for Human Development (IWOHD) is a non-profitable, nongovernmental organization. It was, initially developed by a small group of youth of Malakand in 2010 and established a discussion circle for peace and harmony amongst Malakand. Subsequently, it was formally materialized and initiated as Human Development Program. Initially the program was brought into formal track in 2013 as attachment with the Social Welfare Department District Malakand, subsequently, registered in 2013 vide in #4070 dated 5th December 2013 with Directorate of Social Welfare Department Government of KPK, Pakistan, under VSWA(R\$ C) ordinance act 1961 and also with Government of KPK Charity Commission in 20 November 2020. IWOHD believes in a Social Scientific Research and Process Oriented Approach for the development of the community.

BACKGROUND

Insaf welfare Organization for Human Development is a vision of some progressive youths of Batkhela by initiating discussion circles for the social problems like injustice, poverty, illiteracy, unemployment, poor health, juvenile delinquency, crimes, drug addiction, gender disparity, peace and harmony at Malakand to pave the way for the socio-economic development at Malakand. These social workers in 2010 decided to initiate a movement by creating small groups of youths for the elimination of social problems. In 2013, these social workers established well-defined and well-structured organization by the name of IWOHD. IWOHD creates awareness through initiating group discussion in a local traditional way in order to improve the peace and harmony.

IWOHD AS A BRIDGE OF PEACE

IWOHD Peace Bridge provides opportunity to the local participants who work as counselors or social workers or community workers or Religious leaders to cultivate skills in conflict counseling, reconciliation and facilitation. After the training, Participants will have a further opportunity to join a pool of capable counselors able to provide support to people in conflict counseling.

ETHICS OF OUR ORGANIZATION:

IWOHD believes in reciprocated respect, liability, gender equality, transparency, tolerance interfaith/cultural, dedication, collaboration and session, teamwork, learning to live together, peace education, inter border.

Values

- **Respect for all irrespective of religion, race, culture and faith.**

- **Consideration for indigenous knowledge and wisdom.**
- **Understanding and love for human person.**
- **Gender equity at all levels**

Vision

Sustainable peace ,Socially empowered & developed communities and individuals striving for improvement in the quality of life through collective action and community activism where everyone has equally access their capacity for the peace and there development.

Mission

Maximizing human, financial and community resources through participatory approaches and long-term interventions for sustainable peace and development to benefit neglected and oppressed communities.

2) AREAS OF INTEREST

PEACE AND CONFLICT RESOLUTION PROGRAMME

Insaf Welfare Organization for Human Development is specially premeditated and developed for the poor disregarded people of the rural areas and undeveloped communities. The IWOHD is focusing on social problems, PEACE AND CONFLICT RESOLUTION, which is fundamental requirement for any sustainable social development in the community, people who are neglected and away of all human rights and development, they are living unhealthy lives. IWOHD works to raise poor community in a better way through peace education and right based development through the community participation.

IWOHD provides a systematic and scientific approach in the community for peace and development.

- ❖ Rule of law.
- ❖ Democracy.
- ❖ Awareness and champions.

Development.

- ❖ Right based development.
- ❖ Livelihood.
- ❖ Education, Technical Education, Formal and informal ,
- ❖ Health. Awareness, campaign, medical camps, trainings and workshops.
- ❖ Gender empowerment.

IWOHD, Gender and Development.

Women are the integral part of our society, comprising more than 50% of the total population. Womenfolk are the most marginalized segment of the society. They are deprived of health, education and other social services besides having a sizable economic contribution in the economic frame of the society. Their contribution is invisible and unrecognized by the society. The womenfolk are involved in livestock rearing, kitchen gardening and embroidery, especially products of Batkhela & district Malakand in Malakand division etc. Keeping in view the women status the IWOHD paid its special attention to the development of women folk of Malakand and Malakand division in its policy. The IWOHD, being local and having deep roots in Malakand and Malakand Division and especially in district Malakand, having good repo amongst the people. By utilizing this trust the IWOHD ever try to sort and solve the Gender issues through local female and elders.

Research & information.

The IWOHD believes on the free & fear information access to all beneficial & community, our research wing main objective is developed and accessible information for every citizen.

Activities and Progress:

EDUCATION SECTOR

IWOHD provided free copies, hand writing copies, pencils, pens, school bags and uniforms for specially poor and orphan children also scholarship in the form of cash. And also provided free tuition center and All District Schools Competition organized by our organization "Insaf Welfare Organization for Human Development" 2014 To 2024

In Ramadan Mubarak, our organization organized Seerat-ul-Nabi Conference in all districts. In which there were Naat, Speech and Hammad competitions between different schools, colleges and madrasas. 04/04/2024

We organize an “**Independence Day Program (Hum Sab Ka Pakistan)**” (in various districts of KPK) ceremony for people of these areas in order to remove and reduce anxiety and depression. It also helped the people to improve their physical, psychological, and educational capabilities. It also entertain people who have become effected badly from COVID-19 Pandemic tired and exhausted from day work.

The **Independence Day Program (Hum Sab Ka Pakistan)** helps the people, and particularly the youth, to be prepared for the challenges of life and united.

We launched **Youth Empowerment program** for people of various areas in order to remove and reduce anxiety and depression. It helped the people to improve their physical, psychological, and educational capabilities. It also way of entertain people who have become effected badly from COVID-19 Pandemic tired and exhausted from day work. The **Youth Empowerment Program** helped the people, and particularly the youth, to be prepared for the challenges of life. Therefore, we concentrate on the entertainment of the people because it has become the integral part of life. Everyone does not have time for entertainment due to materialistic thoughts and then have struck with tension and depression, high blood pressure/hypertension and other psychological disorders due which every day, with a small brow, one precious life is lost.

Collaboration Project of British Council (IWOHD with SPADO) on “ILM(Knowledge)-Possible Take A Child”

The Project of British Council “ILM-Possible Take a Child To School” (TACS), Corroboration IWOHD with SPADO in 2014-18

Worked in 05 Districts of KPK including District Malakand, Dir (Lower),Dir (Upper), Swat and Buner. We enrolled out-of-school children to government schools etc. To enable the community to identify its needs and priorities and facilitate meeting according to their needs.

To conduct awareness meeting for girls & boys’ education and project with community (individual and groups) in target village and project activities). To motivate, mobilize and organize community for creating awareness about usefulness of literacy, especially promotion of female education. To conduct house hold surveys for data collection / verification of existing data. Formation and re activation of parents teacher association (PTAs) for Govt. GCMS. To document case studies. To monitor performance of CMS teachers and PTA. To build partnership between government (DOs, Head teachers) and community.

To take responsibility for decisions at field level and to keep Director KPK Social Welfare Department informed. To train and strengthen PTAs (Women & Men) towards their roles and responsibilities in school operation and management. To network with other organizations involved in education for sharing of experience. Assist partner PTAs to develop an effective mechanism for CMS.

Ensure the projection of a public image of ILM-Possible Take a Child To School that is consistent with and contributes to its mission and objectives - including public representation, staff comportment, and visual images and publications.

Technical Skills

IWOHD organized “Hunarmand Nojawan (Skilled Youth) Program” under supervision of district Youth Affair & Social Welfare Department KPK

We provided free diploma courses through District Youth Department in various institutes (Bright Future Institutes of Science & Technology and Rise In Education System & Applied Health Science). And through the Unarmand Nojawan (Skilled Youth) program organized informal skills in different districts of the province in remote areas and after completing the training they were given toolkits and raw materials in the relevant skills to start their own businesses. We provide various 6 months diploma courses and technical skills such as electrician, plumbing, cctv camera technician, tailoring, shoe making, sweater knitting, computer short courses, freelancing courses, health technician, laboratory technician and first aid. Safety course.

Organized Jashn-E-Bahar(Spring Festival) Culture and local business development

We organized festivals in various public parks and private/government institutions to entertain people as well as promote local businesses and on the other hand the community bought their household items or daily life items at very cheap prices from these stalls. . Local people took great interest and appreciated these festivals. And skilled people and local merchants did good business.

Seminar on Human rights on Gender Disparity, women violence base

IWOHD arranged on Seminar on Human rights on Gender Disparity,
Education and Women Violence base in Malakand 2017

Seminar on Child Education

PTC Workshop For Male & Female

IWOHD organized free training workshop for Parents and teachers for female and male separately in various school and places according to pukhtunsociety for the development of child education in 2014-19

Sport

IWOHD arranged various Games Tournaments, Distributed Prizes, Cups/Trophies and provided Transport to the Teams 2015-20

**WALK ON ANTI-PLASTIC/POLTYTHENE BAGS
And Distribution of Clothes Baas**

Solid Waste Collection System Schemed
Handing Over Ceremony of Dustbin To TMA And Local Community

Malakand district being a conjoined populated area, there was no suitable place to dump garbage. And garbage was everywhere in the streets, road/footpath, shops, canals and playgrounds. And it was very difficult to walk on the rough and dirty place, which caused great trouble to the pedestrians. The stench haunted people far and wide. And many people were affected by the spread of germs. . After approval from the donor agency, we monitored it. And then the dustbins should be installed in accessible places so that the people of the communities do not face any problem and germs do not spread.

Installation of Solar Ligh

In Batkhela, people faced great difficulty in walking in the darkness of night. Because there is a deep channel of rain water flowing at one site of the main road and due to this, many accidents have been caused during the night times. We have installed street solar lights at various places for pedestrians. So that people don't have to face trouble at night or in case of emergency.

Free Medical & Blood Camp, Health & Diagnostic

For 5 years, we have been providing free treatment and diagnostic facilities to the poor and needy in the health sector in collaboration with Darwaish Hospital Batkhela and Real Time PCR Laboratory and Diagnostic.

We also organized free medical camps collaboration with local and international organization under normal circumstances in remote areas where there were no government hospitals or lack of facilities. Poor and middle class people are deprived of treatment in city hospitals due to financial problems. We organized free medical centers during the corona virus where most of the people were infected with the corona virus and most of them became psychiatric patients. We conducted various awareness campaigns so that everyone can deal with it and take precautionary measures. and distributed COVID-19 kits.

Free blood camps were also organized for thalassemia patients to save an innocent life.

Distribution of Flour/Atta & Food Items

IWOHD Distributed The Flour/Atta And Food Items in The Poor, Widows And Needy People 2014-21

Worked in 08 Districts of KPK including District Malakand, Dir(Lower),Dir (Upper), Swat, Bajaur and Mardan etc.
*to enable community through by various seminar on education and technical skills, *to fulfillment basic need of orphan & poor students through by cash, school bags, notebooks, uniform, shoes and food items such as ata/flour, rice, tea, sugar, ghee, red gram, white gram, kidney beans...etc *

Distribution free Kits & Spray for Corona-Virus

Distribution of Free Eid Gifts in Poor & Orphan

Survey, Interview & Training Session

Survey on Empowerment/Skill Development in Malakand Division

We surveyed 5 out of 7 districts of Malakand Division on Skill Development in January 2023 to find out why the people of Malakand Division are facing unemployment. ? We get 95% response that there are no job opportunities due to lack of factories and companies.

Note: If you would like a video clip of this survey, we can send it to you.

Walk & Seminar on Hite Cane & Disabilities and Free Distribution of Wheel Chairs

"IWOHD" Distributed Free Wheelchair in the Disable People in 2016-20

Streets Pavement

Rehabilitation of Bridges

Narrow, broken and dilapidated and unprotected grills/walls bridges on Batkhela Canal in Malakand district, under which water of two major rivers, the River Swat and River Dir flows. It is quite deep about 40 feet deep and 200 feet wide and these bridges seemed like a well of death. It was very difficult for people to walk, like waking on a rope, and people felt dizzy. These bridges have caused the death of many people. These are the only bridges that connected other populated areas. And these are built between over crowd populated areas and schools. These are pedestrian bridges with more than five thousand/5000 pedestrians crossing each bridge almost every day. After approval from the donor agency, we first installed the grill on both sides of the bridges and then welded the smaller steel girders to larger ones like wood stairs or empty box frames. And filled the boxes with concrete and finally welded the steel checker plate sheets. Monitoring & supervision from start to completion of the bridges and sent progress report to donor's agency and Social Welfare Department KP.

Dream Project

The Survey of (Installation Railing/Grill (to un-safe river area)) and also to installation Concrete/Steels Benches or Chairs and Children Park.

YOUNG WING NETWORK (YWN)

IWOHD has decided to establish young wing network at KPK which will indulge youth community in development works. A platform will be provided by IWOHD. We Work for :

- Educating the youth of various districts of KPK.
- Involvement of disaster management
- Building a well-developed youth network
- Aware the youth about its participation in the development of their society
- Building a respectful community, where every unit of the society will fulfill its due role.
- To Support the Extra Curricular activities of Youth.

IWOHD AS COOPERATING PARTNER

IWOHD strongly believes in partnership with Government & Non-Government sectors & welcomes every institution who has a well for the uplift of Humanity in this region.

LANKINGES AND NETWORKS :

IWOHD Linkages Development

The Insaf Welfare Organization For Human Development (IWOHD) initiated linkage development after formal establishment of office at various district of KPK to broaden its scope to the country level. The IWOHD enthusiastically participated in their workshops, training programs and other organizational activities for capacity building and to learn from their experiences and success stories and to share the IWOHD proficiency.

THANK YOU
